KIS Imaging/One Call Care

Gain Access to the Highest Quality Imaging Services at Reduced Out-of-Pocket Costs. KIS Imaging/One Call Care was the first company in the nation to develop a business devoted exclusively to managing advanced radiology costs and providing substantial savings to members.

The Diagnostic Imaging Program broadens your health care choices and saves you money – by providing substantial discounts on MRI, CT and PET procedures whenever you use KIS Imaging/One Call Care participating providers.

- Access to more than 2,900 radiology centers nationally located – Find a provider online or by calling **888.458.8746**.
- No paperwork or claims submission forms.
- Rigorous provider credentialing and peer review process for imaging quality.
- National concierge service with multilingual staff to help you with provider selection and appointment scheduling.
- Up to 50% savings on advanced radiology procedures like MRI, CT and PET Scans.

This program is included in your existing benefit plan and is offered at **no additional cost to you**. The choice to use the discount is entirely yours. Find a provider, set the appointment through the KIS Imaging/One Call Care concierge scheduling service, and enjoy automatic savings. It's that simple.

- Before you or a covered family member are scheduled for an MRI, CT or PET scan, simply call the OCCM number on your ID card: **888.452.8746**
- Our care coordinators will assist in selecting a network provider that is conveniently located near the members home or work.
- Once a facility is selected, the appointment is scheduled by conducting a unique 'three way' call involving KIS Imaging/One Call Care, the imaging center and the patient.
- During the same call, members can ask questions regarding their test or for further help in understanding how the medical plan covers the imaging procedure.
